What Parents Say About M CCP

We honestly don't know what we would do without Muir's Chapel Christian Playschool. Our twins have been there since their first months and have thrived and learned so much about God and basic education. We know they are loved at this playschool!

– Matt and Jenny Biagiotti, Greensboro

We are so thankful that our little ones have a place to go and be loved on while we are at work. It's hard enough to leave our babies, but it helps when you know they are being loved so well.

– Jessica Beckman, Greensboro

We love M CCP. My girls have been coming to M CCP since 2009. The teachers are all very loving and care about what they teach. Harper wakes up each day asking if it's a "school day!"

TRUSTED CARE

for local children for more than two decades

A multi-generational church located in Greensboro, NC

Muir's Chapel Christian Playschool (MCCP) has been trusted and used by local parents for decades. The staff understands how important your child's first school experience is. We provide a safe, healthy and loving environment for your child. The Playschool offers a Christian Early Childhood Program for infants through 5 years old.

Hours

**9:00 am to 1:00 pm
Monday through Friday.**

Curriculum

Our curriculum begins in our infant room and builds through to our Pre-K program for 4 and 5 years olds. We believe that every moment is a learning moment. We are very careful in the examples that we set, the words we use, the good manners we display and how we treat each other and the children. In addition, we believe that children learn through play and hands on experience that include many activities.

Visitors and Security

Visitors are always welcome to come by and take a tour. Our exterior doors are ALWAYS locked for security. Please call ahead or ring the doorbell for entry.

Teaching Children About Jesus and Faith

At MCCP, we recognize that raising your kids to follow Jesus is a noble mission. As we care for your children and journey through each stage of our children's development, we can point them toward spiritual lessons that will help them find true faith and become joyful followers of Jesus.

We start by instilling respect for God and His authority. While we enjoy teaching toddlers fun stories from the Bible, we try to go further. For young children, our materials solely emphasize how Jesus is your friend.

We teach your young children these things:

- **God is strong.**
- **He can do anything.**
- **God cares for each of us.**
- **God loves us.**
- **God sees all.**

With a deep understanding of the importance of a life with Jesus, we include ways to guide children on this path towards a life with faith.

Kids4God

After Care Program

This valuable program works in conjunction with the Playschool to allow children to stay extra hours in the afternoon. This option enhances our parents' busy work and lifestyle schedules. In Kids4God, children worship Jesus through prayer, instruments, singing, etc.

**The hours are from 7:45 to 9:00 am
AND 1:00 to 3:00 pm.**
