## THE HISTORY CORNER

This painting of Martin Luther (1483-1546) was the cover for Muir's Chapel's Church bulletin on November 3, 1963.

Below the portrait was a line from the hymn, *A Mighty Fortress Is Our God*, one of many hymns written by Martin Luther.

***"The body they may kill:  
God's truth abideth still."***

A few days later, on Nov. 22, 1963, President John F. Kennedy was assassinated in Dallas, Tx.

Most assuredly, these were words of comfort at such a time of mourning.
